

- 1 Click on [Settings](#) from your course tools menu on the left
- 2 Click on or make sure you are viewing the **Course Details** tab
- 3 Click on the Edit Course Details button
- 4 Check the box for Enable course grading scheme , then click on the [view grading scheme](#) link below

Comments:

Grading ☒ Enable course grading scheme
Scheme: [view grading scheme](#)

License: [Private \(Copyrighted\)](#)

- 5 Now you will see the View/Edit Grading Scheme window. You can edit your own by clicking on the [manage grading schemes](#) link in the bottom right of the window, or use the find or magnifying glass icon  to pick from one's already created. I've created two, **MTU Standard** and **Mid-Term**, which you will see on the list to the left and can use if you like.
